County to benefit from casino improvements

BY JACQUI COCHRAN

The installation of a sewer line, the proposed construction of a new road and the enhancement of 900 feet of Beach Boulevard, are projects Bayou Caddy Casino Inc. presented Thursday as containing benefits for Hancock County.

The board of supervisors was informed by Bayou Caddy president George Baxter during a workshop session, the cost of transporting sewerage has initiated the corporation to contract a cost study for the future installation of a sewerage line to connect with the City of Waveland's system.

Planner Ray Eaton said, a 20-year low interest (4.5 percent) loan could be obtained by the county from the state. Bayou Caddy would pay all application costs and yearly payments to the county, who in return, would pay the state.

Eaton elaborated on the idea by suggesting the county pay only the linear footage necessary to increase the line size from the amount needed to serve Bayou Caddy, thereby increasing capacity for future use by residents of Lakeshore and Clermont Harbor.

The supervisors commented that residential service to the areas would have to wait on treatment facility expansion, as it is presently near capacity.

Eaton added, plans for the line are a year in projection and construction would take approximately another four months.

Baxter asked the board to consider the abandonment of Shipyard Road, which connects Beach Boulevard to the Bayou Caddy fishing docks.

He said Bayou Caddy will build a new 24-foot wide road which will follow the back edge

Bayou Caddy plans springtime opening

BY JACQUI COCHRAN

Bayou Caddy Casino has committed to a March construction completion date for Hancock County's second gaming facility, reported George Baxter, corporation president and chief executive officer.

Baxter stated Thursday to the board of supervisors, land preparation has begun and all construction permits are in hand.

He added that the State Gaming Commission is presently conducting an investigation for license approval.

When completed, Baxter estimates the casino will employ

State, county choose ballot

BY JACQUI COCHRAN

Why are some candidates on your 1992 ballot in alphabetical order, while some are not?

According to Patsy Brumfield, communications director for the Secretary of State's office, Mississippi chooses to alphabetically list major political party candidates first; minor parties next; and independent candidates last, when designating ballot order.

Reviewing the November 3 ballot, the Democratic Party is listed before the Republican Party;

—the Libertarian Party before the Mississippi Taxpayers Party, and then Independent candidates by last name (in alphabetical order).

All state-wide elections are decided in this manner, Brumfield reported.

On the Hancock County ballot, the House of Representatives District 92 race breaks with this formula, placing the Independent candidate above the Democratic and Republican party candidates. This, Circuit Clerk Pamela Metzler stated,

Hancock may implement its own mosquito control

BY TRACI BONNEY

Hancock County faces two possibilities for mosquito control if Harrison County withdraws from a tri-county commission: form a bi-county unit with Jackson County, or handle mosquito control alone.

Harrison County supervisors decided Monday to withdraw from the commission after extended controversies over funding have put the county under fire. The withdrawal was to be effective today.

Harold Heine, Hancock County mosquito control commissioner and county inventory clerk, said the local supervisors do not want to pull out of the commission.

"They'd rather see it continue if at all possible," he commented. "However, if the commission does dissolve, we can do our own mosquito control with the budget we have."

Hancock's share of the funding has been $70,000 a year. Heine said two trucks should be able to cover the county adequately, and the $70,000 should cover the trucks, chemicals and staff needed.

During a supervisor workshop Thursday, board attorney Gerald Gex told the supervisors he is not sure Harrison County even can legally withdraw from the commission.

Gex commented, "As I understand the law, if you're in, you're in; if you're out, you get nothing."

He was referring to the building and equipment the commission uses at its Harrison County headquarters and throughout the tri-county region. According to Gex, if the three counties mutually decide to dissolve the commission, its assets would be split among the three counties.

If, however, a county withdraws its funding, it loses its right to any of the assets.

Those assets include three aircraft which have been idle for some time now. If Hancock County gets the helicopter or one of the two planes, that would give an added dimension to local mosquito control.

Heine said he believes Harrison County will return to the commission. "They're estimat-

Strode to share anti-litter message

BY JANET MCQUEEN

Lila K. Strode, state coordinator of People Against Litter, will address a special anti-litter workshop Thursday, November 5 in Bay St. Louis.

The meeting will begin at 10:30 a.m. in the downstairs meeting room at the Bay-Waveland Yacht Club. An Exchange Club of Hancock County luncheon will follow at noon in the yacht club dining room, where Strode will be featured speaker.

The workshop is sponsored by the Hancock County Chamber of Commerce beautification committee.

People Against Litter (PAL) is a special committee of Keep Mississippi Beautiful, Inc. and the statewide affiliate of Keep America Beautiful. It is a non-profit organization.

The program began in August of 1988 and has increased from only five involved communities to a total of 20 communities today. Strode began working with the PAL program in October, 1991.

Prior to working with PAL, she served with the Hattiesburg Area Chamber of Commerce. She is a native of Jackson, and is a graduate of Mississippi State University.

Luncheon reservations may be made by calling 467-9048. Lunch is $6.75 per person.

Bush, Clinton lead in high school polls

BY TRACI BONNEY

While it's still anybody's guess as to who will walk away from Tuesday's election with the keys to the Oval Office, local high school students have made their choice.

Mock elections in Hancock and West Harrison counties earlier last week revealed that most high schoolers would vote for either President George Bush or Democrat Bill Clinton.

Results — either in percentages or approximate numbers of votes — were as follows:

St. Stanislaus: Bush, 43.2 percent; Ross Perot 29.3; Clinton 22.3.

CEHS: Bush, 38 votes; Perot 38; Clinton 21.

OLA: Bush 88; Perot 47; Clinton 46.

PCHS: Clinton 220; Bush 50; Perot 40.

BHS: Clinton 223; Bush 191; Perot 67.

HHS: Clinton 370; Bush 340; Perot 270.

Results from the school's elections were aired on the in-school educational Channel 1 or on C-SPAN 2.

The Bob Boudin family hosted a fabulous fish-fry Sunday afternoon for the volunteers of the Hancock County Food Pantry.

Approximately 73 volunteers attended the party, held at "The Smokehouse" on Lower Bay Road in Lakeshore.

Besides the wonderful food (fish, oysters, potato salad, coleslaw, baked beans, green beans and new potatoes, baked sweet potato, French bread and cake) a country band and covered wagon rides added to the fun.

Bob, we've appreciated your help all through the past six years, but the party was the "frosting on the cake." Thank you.

Ballot

was a typing mistake made by election commissioner Betsy Nolan when physically compiling the ballots.

Metzler added, the ballots were printed before the mistake was discovered, and to reprint the ballots would have been very costly.

Reese Partridge, senior attorney in the election division of the Secretary of State's office explained there are as many different ways of ballot order selection as there are states.

"In some states, the governor selects how the names are listed. There is even one state which by law allows the popular party of the previous election to be listed ahead of all others."

In local races, the county decides the order.

Hancock's district election commissioner candidates are listed in alphabetical order.

Partridge commented because this is the way the state has designated ballot order, a historical precedent has been set. Should the state wish to deviate from the present formula, a statute must be passed and permission from the U.S. Justice Department must be obtained as it would be a change in voting procedure.

Be sure to vote Tuesday

Tuesday, Nov. 3, is the big election day Americans have been reading and hearing about for many months.

It will be the day our citizens go to the polls and select who will lead our country for the next four years.

An interesting aspect of this year's election, is the fact there will be a total of eight running for president on the ballots in Mississippi.

Also of interest for Hancock electors are other races to be settled on Tuesday.

We will be electing a U.S. Congressman, State Senator, a House of Representatives member for the new district (not everyone will vote on this new seat), two county school board members and five election commissioners.

There will also be eight Senate or House Resolutions on the ballot.

Hancock County will decide whether to keep the unit system, or return to the beat system.

Your vote is needed. It could make the difference whether a candidate wins or loses. Past races have been decided by a single vote.

Check with your neighbors. Make sure they get out and vote on Tuesday. Remember, the polls are open from 7 a.m. to 7 p.m.

"QUOTABLE QUOTES"

By Ellis C. Cuevas

A very important visitor will be in Hancock County, Thursday, Nov. 5, at the Bay-Waveland Yacht Club.

I am talking about Lila Strode, of the Mississippi Keep America Beautiful program.

A meeting of the Hancock County Beautification Committee is set for 10:30 a.m. at the Yacht Club.

This meeting is open to everyone who is interested in beautification, and it would be a good time for them to hear an expert.

The 10:30 a.m. event will be followed by a joint meeting with the Exchange Club for those who wish to stay. There will be a dutch treat lunch.

I am looking forward to meeting Strode and hearing what she has to say on beautification.

A lot of effort has been placed in Hancock County this year on beautification, and I really appreciate the involvement of everyone.

It is only through your help that we have been able to move as far forward as we have.

I will be the first to admit that we have a lot more to do, but I know we can accomplish the goal of "Litter Free by '93," through the help of all residents.

The area is beginning to improve in looks, and I know we can still do better.

I would like to welcome the 1992 student directors of the Hancock County Chamber of Commerce.

They are, with their respective schools, James D. Baldree Jr., Bay High; Jennifer Robertson, Coast Episcopal; Penny Ladner, Hancock High; Leanne Bennett, Our Lady Academy; and John Cichon, St. Stanislaus.

The two chamber directors who are sponsors for the student directors are, Patt Cucullu and Don Henderson.

This is an opportunity for our youth to have an input on issues facing our area.

They also receive first hand experience working on one of the chamber's standing committees.

One must remember, these students are our leaders of tomorrow.

My, how time seems to fly as we get a little older.

Can you believe it is already November 1? That means Christmas is not too far in the distance.

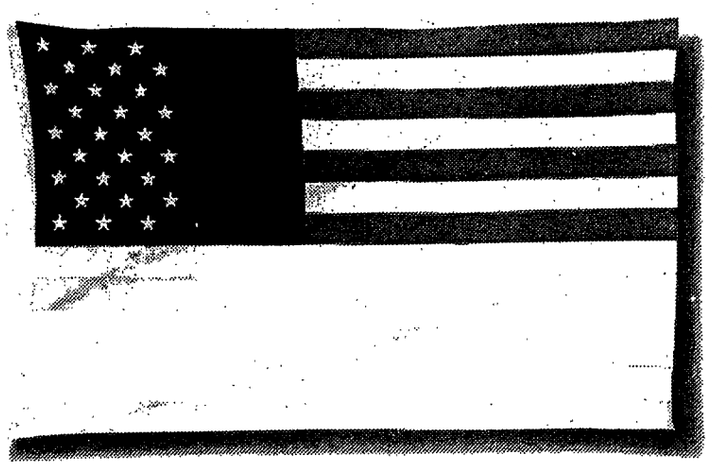

I know some of you have already started on your Christmas shopping, and I am hoping you will remember to try and buy at home first.

Your local merchants need your business, as it means dollars are being turned over in the community.

Your friends and neighbors work at the stores in your area too, so you help them keep their jobs by shopping at home.

A person can purchase just about anything in the area, so help your local merchants.

SINCE ONLY 50% OF AMERICANS VOTE, WILL THIS BE THE KIND OF FLAG WE WAVE?

President signs Amtrak Authorization, Dev. Act

President George Bush signed the Amtrak Authorization and Development Act, which contains provisions for the Columbus & Greenville Railway and train service development between New Orleans, La., and Mobile, Ala., along the Mississippi Gulf Coast.

"I am pleased that the President has signed the Amtrak Authorization and Development Act into law," said Lott, a member of the Senate Science, Commerce and Transportation Committee.

"The measures included in this act will allow the C&G Railway to continue its operation of the vital central Mississippi link between Columbus and Greenville, and will help to bring new growth and economic development to the Gulf Coast."

The newly signed law allows for the subordination of money owed on two loans to the federal government by the C&G Railway. C&G borrowed $3.8 million form the federal government in the early 1980s when the railroad was first formed.

The law also will instruct Amtrak to "proceed as soon as practicable, but not later than 12 months after the date of enactment of the conference agreement, to initiate daily train service" between New Orleans and Mobile.

To the Editor,

Oh, say can you see—America, America, God sheds His Grace on Thee!

We Americans love our country, and we love each other. Americans, please check out each candidate and demand that he will give us: affordable health insurance, build our cities again; clean up our waters; give us affordable housing with lower taxes and insurance; make laws so strict that criminals will have to obey; wipe out the drug pushers (it can be done) and punish the drug users; build rehabilitation centers for troubled children instead of jails; affordable cars, license tags and insurance, work with big business people to keep jobs here in America; stop giving our money to counties overseas (we can help them in other ways), stop taxing us to death!

We will stand up and yell loud and clear that any person who becomes President, Senator or Congressman or any elected person will work hand in hand with us.

We Americans work hard. Our men and women fought and died for our country. We care! We love our country and we are not lazy and stupid like the Japanese say.

We own this country, yet in 1980, our total national debt was $1 trillion; now this year it is $4 trillion. Every citizen works five months a year just paying taxes! Forty-two percent of his income goes to taxes! We are the most crime-ridden nation; we rank at the bottom of the industrialized world in academic achievement; we spend $400 billion a year for education; spend more money than anyone on health care, yet many people have no health care; we are 50% of the world's cocaine users; fifth and sixth graders, at least 31% of them, have witnessed a shooting; 75% have witnessed a drug deal and arrest. So many problems, but what happened? To whom can we turn to?

We must have leaders now that we can trust and will change these and more problems. We pay our leaders a lot of money and benefits, which is more than they deserve—and now, if anyone elected does not do the right job for us, vote them out!

If we do not like the way our politicians are running our country, then we are the owners here—and we will stop it!

Let us seriously decide and keep in contact with the people elected, and again, let's all help the world to be better!

Backlog of court cases helped with amendment passage

Dear Editor,

The most important proposed constitutional amendment on the ballot on November 3 will be a proposal to eliminate the 20 district limitations on our state courts.

Currently our state constitution limits the number of chancery and circuit court districts to no more than 20. This limit has created massive problems.

Everyone is well aware of the backlog of cases in the courts in this state and nation. Our circuit courts are over-burdened with the increasing criminal caseload. Every day our district attorneys are forced to compromise and plea bargain on cases which should go to trial with the maximum punishment being sought.

A large part of the reason for this is because of the crowded docket, lack of adequate numbers of judges, and oversized districts.

An even more harmful situation exists in our chancery courts. The chancery court is Mississippi's family court. This court handles all matters regarding divorce, custody, child support, and in many counties, juvenile cases.

The lack of adequate courts and judges in this area is even ore appalling and results even greater inequities.

Weekly we read in the newspaper of cases where there has been some act of violence in a family situation or a negligent father has refused to support his children after divorce.

A large part of the failure to address these problems is caused by the inabilities of our courts to quickly consider these pressing family matters. When a chancery court does not have time to hear the divorce or child support action, the family suffers the consequences. As taxpayers we too suffer the consequences since unsupported children overwhelmingly fall to our welfare system for support. These are our tax dollars supporting someone else's children because of the inability of our courts to address these matters in a timely fashion.

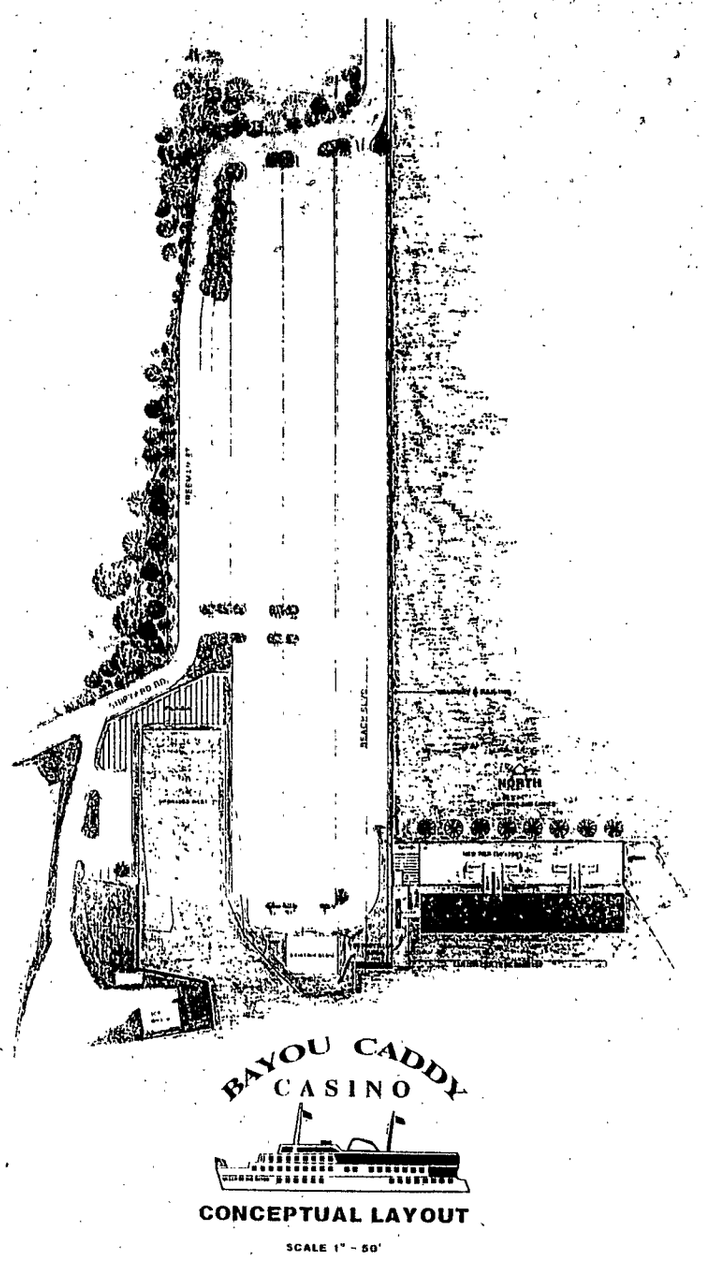

To make matters worse, many areas of the state have experienced phenomenal growth. In my home county of DeSoto, it has taken up to three years to hear a contested divorce. When you can get the divorce heard, it is never at a single sitting of the court. The judge is forced to hear one day of testimony here, another couple of days six months down the road, another day or two three months later. Justice cannot be served under these circumstances.

Creating more court districts and judgeships has become essential to the health of the judicial system of this state.

The first step on the path to recovery is the approval of proposed Amendment #2 which would allow the Legislature to create as many districts and judgeships as is necessary.

Next year, the Legislature should begin the process of redrawing judicial districts as required by the federal courts. After the last census, the Legis-

between 400-600 persons and yield tax revenues of approximately $1.5 million to the county.

Baxter said the corporation intends to hire its supervisory staff from applicants with previous casino experience.

For all other positions, he stated, Bayou Caddy will attempt to hire as many locals as possible and preference will give to Hancock residents.

The ship will contain 30-40 table games and 400-600 slot machines. It shall also have a 150-seat restaurant, bars, lounges and entertainment.

The ship's capacity is estimated at 600-700 people.

of a 590-car parking area and access to Beach Boulevard approximately 500-feet northeast of its present location.

He explained the reason for the request was because Shipyard Road presently divides the proposed parking area. The new road would divert fishing industry traffic.

Baxter said the road project is waiting on the U.S. Army Corps of Engineers' approval, as the majority of the proposed area contains wetlands.

Baxter also requested, should the road project near fruition, the company would request the county to supply materials only in assistance with the road construction.

Board attorney Gerald Gex said the board could not abandon the road until the new road is constructed and ready to be given to the county.

Plans for the parking area will include placement of a three-foot railing along Beach Boulevard, which will be raised 4-8 inches.

Rising from Gulf waters will be eight lighted fountains edging the 260-foot long pier. The pier, to be build three feet above the parking area, will contain concession-type shops and a retail seafood store, which will express mail locally-caught seafood advertising Hancock County.

Baxter said plans for conversion of a quarter-barge into a 50-room hotel have been placed aside because of the cost. Instead, a marina is contemplated for the inlet.

He added, a 500-room hotel is planned for construction north of the proposed parking area.

ON PATROL

BURGLARY IN PROGRESS

A Bay St. Louis man was arrested early Saturday morning in connection with a burglary at the Tobacco Shack in Choctaw Plaza, Waveland, according to Waveland Police Chief James Varnell. One suspect remains at large.

Calvin D. Haskin, 19, 206 Caron Lane, was apprehended on the roof of the business after police responded to an alarm at approximately 3:30 a.m. The patrolmen were in the shopping center area responding to an alarm at Indy's when the Tobacco Shack alarm went off, said Varnell.

Confiscated were 299 cartons of cigarettes, valued at approximately $4,485, according to Varnell. Responding from Waveland were officers Chuck James and Billy Pepperman, Sgt. Robert Lee from Bay St. Louis Police Dept. and Hancock Sheriff's deputies Albert Biehl and Corky Hoda, said Varnell.

Haskin remains in the Hancock County Justice Facility under $20,000 bond.

lature and our Supreme Court failed to redistrict our state court system.

Consequently, the task of drawing new districts fell to the federal courts after the State had been sued to force redistricting. If we begin to address this problem now, we can avoid the unnecessary and expensive process of a federal lawsuit. Your local legislator should be urged to make judicial redistricting a priority in the 1993 Session.

I urge you to vote for proposed Amendment #2 on the ballot November 3 which will allow the Legislature to create the necessary number of court districts. This will help make our court system more accessible and available to us.

Most of all, vote for proposed Amendment #2 so that we may allow the Legislature to create more courts, more judgeships, and make a fair and equitable redistricting of chancery and circuit court districts. Otherwise, we will once again be forced to do what is necessary by the federal courts and waste an awful lot of money.

Grants offered to rural fire depts.

The Mississippi Forestry Commission (MFC) will again receive approximately $50,000 in federal grant funds for subgranting to rural community fire departments under the Rural Community Fire Protection (RCFP) program, according to an announcement by State Forester Jim Sledge Jr.

Community fire departments desiring funding should apply promptly. Application information may be obtained at any MFC District Office or by writing Al Johnson, Property Officer, Mississippi Forestry Commission, 301 N. Lamar Street, S-300, Jackson, MS 39201 (Pho: 359-2808).

Applications from Volunteer Fire Departments must be signed by the Chief Executive Officer and be in the Forestry Commission's headquarters office in Jackson by 5 p.m. January 11, 1993. Completion date for any approved project will be Aug. 31, 1993.

Since 1975, when the RCFP program was first funded by Congress under Title IV of the Rural Development Act, 525 sub-grants totaling $898-386 have been awarded to rural volunteer fire departments across the state.

The Forestry Commission issues the sub-grants under an agreement with the U.S. Forest Service, which administers the RCFP program nationwide.

Reflections

On Life

By Father Jerome LeDoux, SVD

Coming home to roost

"What goes around comes around," the old folks tell us repeatedly. What we dish out, we will surely get served back.

Why, then are the citizens of the United States so surprised at the growing number of very young people who are suicidal, violent and murderous? Do our adults think for a moment that their children are not mirrors of them?

In a paraphrase of, "What goes around comes around," "The chickens are simply coming home to roost."

Many adults have taken good care of laying the most efficient and diabolical foundation for the home roost phenomenon. They have schooled their children well in the rudiments of disrespect for the sanctity and integrity of human life.

To this foundation they have added highly productive hotbeds which explode and nourish the seeds of violence, suicide, homicide and general disregard for human life.

The young are neither blind nor deaf. They see how avidly and greedily their elders lap up the godless, obscene, profane, dishonest, violent offerings of the various media which are able to make money because of gullible, immoral people.

With this backdrop of deadly home cooking and schooling, it is inevitable that the young chickens will come home to roost and to recycle everything inherited from their elders.

"Unfortunately, violence sells," observes Washington, D.C. mercenary Ben Ali who is producing and peddling T-shirts with a 9-millimeter gun on the front which reads, "If this doesn't get you," to match an Uzi on the back which reads, "this will."

Such mercenary toleration and promotion of what threatens our well-being implicitly fostered even by those who remain silent when others attack the sanctity of human life.

How can we feel smug about our attitude on human life if we are willing to sit and enjoy movies which depict and sometimes glorify violence and abusive and unbridled sex?

What respect do we have for life if we read literature which goes counter to everything in life that is sacred and untouchable? We cannot justify this by freedom of choice.

Our constitutional right to see the movies of our choice and to read the books of our choice is completely secondary to our moral obligation to respect the integrity of life. How could our right to read override our obligation to give life?

"Dr. Death," Dr. Jack Kevorkian, is but an outcropping, a product of those who champion violence and disrespect for human life, as well as those of us who abet these plagues by openly enjoying irreverent, abusive, violent entertainment.

The ultimate quirk is that many of the same people who violently oppose Dr. Jack "The Ripper" Kevorkian's suicide service, equally and enthusiastically support abortion.

Back to the young. For the most part quite alert when they want to be, they are observing not only people like Kevorkian, but also the numerous inconsistencies and contradictions which their elders parade before them privately and publicly.

Their view of adults becomes ever more jaundiced as the latter often pursue animal "rights" — God forbid — yet neglect human fetuses; as they worry about the ecology, but show no concern for people; as they claim to detest drugs, yet tout and abuse cigarettes and many forms of alcohol.

Ask yourself the following questions:

1. Is government too big?
2. Does government spend too much money?
3. Are my taxes too high?
4. Do I want leaders who do not rely on government to solve every problem?

Spirit Alive set for Nov. 5-8 at First Presbyterian Church

First Presbyterian Church of Bay St. Louis will host its second Spirit Alive mission November 5-8.

Spirit Alive is a flexible, on-location spiritual renewal mission which provides a variety of formats. Last year, which was the church's first to host the mission, Spirit Alive was centered around the theme "Jesus is Lord." This year's theme is "The Person and the Work of the Holy Spirit."

The Presbyterian and Reformed Renewal Ministries (PRRM) International endorsed the concept and started the Spirit Alive mission in 1983.

First Presbyterian Church's pastor Richard Jones and some of the church's children visit with Raggedy Butterfly and her rabbit during the 1991 Spirit Alive mission

This year's participants include:

—Andy and Dottie Buchanan, who work as associates with PRRM. Andy also is a minister and the author of *You are Welcome Holy Spirit, You are Welcome.*

—Bob and Salli Buttles, Southglens Falls, N.Y. He has been in the automobile business for more than 40 years; she works for a real estate licensing school. He is an elder and she is a deacon.

—John and Marguerite Johnston, Meridianville, Ala. He retired as a pastor in 1980; she has been involved in Christian education on several levels and has worked with women's groups.

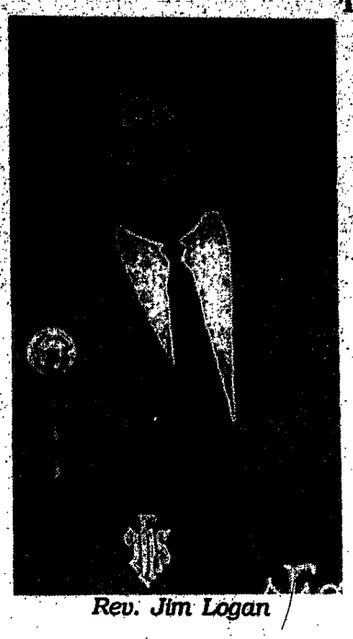

—Joe and Irene Maurer, Thomaston, Ga. Joe, a Mobile native, and Irene, who is from New Orleans, have been members of the Presbyterian church for many years. He is an ordained elder.

—Rev. James Logan, Charlotte, N.C. The pastor of Tryon Presbyterian Church in Charlotte, he is participating in the local mission for the second year.

—Paul and Kay Lapeyre. Paul, who participated with his son last year, is returning with his wife this time. He will provide the music for the mission.

—Ray and Kelly Oehrele, Madison, Ala. Kelly is a church volunteer and weekly intercessory prayer group leader. Ray plays saxophone and guitar for the church praise and worship team and is directing for the Christmas cantata for the youth again this year. This will be the couple's second year with the mission.

—Cal and Karen Smith, Waveland. The Smiths have worked with children in Sunday school and vacation Bible school for more than 25 years. They use their theater background in church plays and skits. Cal teaches a summer golf clinic for children, and Karen assists with a summer English horseback riding camp. They also are participating in the mission for the second year.

Rev. Jim Logan

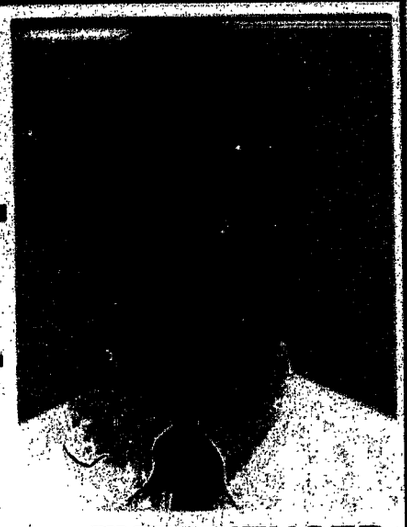

—Jean Schroeder, a.k.a. Raggedy Butterfly. Jean is beack for her second year with the clown act she uses to teach and interact with the youth during the mission.

—Sarah Thompson, Adamsville, Tenn. Her father is a preacher, and her husband was one. She accepted Jesus as Savior when she was 11, and enjoys singing and talking about him.

Jehovah's Witnesses attend assembly

The Bay St. Louis and Long Beach Congregations of Jehovah's Witnesses attended a Special Assembly Day in the Southeastern Louisiana University Assembly Center last Saturday, according to Lewis Tillman Sr., a local elder.

Theme of the assembly program was: "Living with Soundness of Mind and Righteousness"—Titus 2:12.

Tillman said the morning session featured a discourse on "What Christians Repudiate and Why" given by Lester Bailey, Circuit Overseer for 22 congregations of Jehovah's Witnesses in Southeastern Louisiana and Southwestern Mississippi.

The Saturday afternoon session scripturally encouraged youths to wisely build for a theocratic future, Tillman said.

The highlight of the assembly, attended by some 2,706, was the talk entitled: "Cherish Your Blessings Amid a Joyless World," delivered by Robert Alexander from the World Headquarters of Jehovah's Witnesses in Brooklyn, N.Y.

Tillman stated that Alexander's discourse also reported on the global Bible education work of 4,500,000 Jehovah's Witnesses in over 68,000 congregations in 211 countries.

Christmas Seals are a time honored tradition. For the past 85 years, Christmas Seals have been providing hope and help to those who suffer from the crippling effects of lung disease.

The Mississippi Lung Association's programs that help reach so many Mississippians touched by the problems of lung disease include emergency financial assistance programs for patients; special asthma workshops for patients and their families; materials and

training to assist people in quitting smoking; medical education; patient and family education; medical research; as well as public educational programs, to name a few.

For more information on Christmas Seals services or to receive seals, contact the Mississippi Lung Association, P.O. Box 9865, Jackson, MS 39206, or call 362-5453.

Handel's Messiah at Keesler

The 39th annual presentations of George Frederick Handel's Messiah are scheduled Dec. 4 and 6 in Chapel One at Keesler AFB. The December 4 performance starts at 7:30 p.m. and the December 6 performance begins at 2:30 p.m.

Rehearsals began Oct. 26 in Chapel One. Registration is underway. Auditions for soloists will be at 6:30 p.m. each Monday.

Civilians who wish to participate must go through the visitors center at the main gate off Highway 90.

Messiah performances began at Keesler in 1952 as combined church and military chapel choirs met together. Since then it has become a tradition marking the beginning of the Christmas season in the Gulf Coast area.

Dr. James C. Downey will return for his 10th year as director of the chorus and orchestra. Chaplain Jim Smalley is the contact person at Keesler and can be reached at 377-2575.

Equal Justice & Health Care for All

Quality Education for Everyone

No New Taxes or Salary Increases for Public Officials without Vote of People

Quality Law Enforcement for Everyone

Our People for Our Country

Let's Give The Government Back To The People!

JERRY L. LADNER

The Man For The People

Senate District 46

Independent

I choose to run as an Independent candidate because I do not want to have to answer to any group, only to you . . . the people!

There is something wrong with our county when poor people cannot afford to heat or cool their homes because of fuel and electric power costs and executives with oil and power companies are making hundreds of thousands of dollars per year. The rich are getting richer, the poor are getting poorer!

We have lost control of our justice system. The attorney-made laws deprive us of our justice. We need to take power from the judges and attorneys and use the Jury System.

Today, only the wealthy receive healthcare and justice. I think every human being is entitled to equal justice and equal healthcare, regardless of their financial status. Our tax dollars build the hospitals and courthouses.

We are taxed to death! In the month of June 1992, a one percent sales tax increase, $10-$15 car tag increase, tuition was raised on our lack of funds, but when the one percent sales tax increase came, the deans of our colleges got a $6,000 raise (from $86,000 to $92,000), yet the tuition remained higher!

Do you realize how much of your tax dollars are used for elected officials' salaries and legal fees? The poor person pays more and more taxes and gets less and less.

By using the biggest portion of the gambling taxes for education and law enforcement, we can lower or eliminate most of our taxes (i.e., car tags and property taxes). Las Vegas has zero -0- property taxes. *We can have this, too,* if it is not used for salary increases and legal fees.

I think that parents who choose to send their children to private school should receive a tax credit.

I will do whatever is in my power to work with the Highway Department in being sure the four-laning of Highway 603 from Stennis Drive to Highway 90 is done as soon as possible; to place highway signs on the first two exits, of Highway I-10, 607 & 603 exits (from the west) that state: *"First & Second Exits to the Golden Gulf Coast - For Beaches & Casinos"*. These two projects are a must for us to get our fair share of what we rightfully deserve and have worked so hard for.

We need to shape up the welfare system. Put all able-bodied recipients to work in county and city projects - taxes will be saved! Anyone on welfare convicted of illegal narcotics will lose their welfare benefits.

I am against abortion. Except when the mother's life is at risk, rape* or incest* (*except where there is significant development of the child). I am against the sale of any parts of unborn children.

I am against gun control, flag burning or any changes in the flag. *All we're asking for is equal justice for everyone!*

I will represent you, the people! Every profession has lobbyists in Jackson except the people. Let Jerry Ladner be the people's lobbyist!

I AM A GRASSROOTS POLITICIAN - A MAN FOR THE PEOPLE!

HHS victory slips through their claws

BY JACQUI COCHRAN

The East Central Hornets dominated a second half run away Friday night as the Hawks were unable to hold on to the ball.

A final TD break came for the Hornets 11:14 into the fourth quarter, when a fumble snap from the center resulted in an East Central TD.

The Hawks valiantly threw one, two, three, four passes within the last two minutes of the game, each missing its mark.

The first quarter opened with East Central receiving and after making a first down, a three-play push resulted with the Hornets at the Hawk 12.

Hornet Shane Scarbrough was handed the ball and in he went for the first TD of the night, with 7:12 on the clock.

The kick was good and the Hornets led, 7-0.

The Hawks received and Hawk quarterback Scottie Davis threw a pass from his own 35 to Joe Green, which bounced off Green's fingers and over into the reaching hands of Dennis Malley, who carried it in for a Hawk score.

The kick was good and the Hawks were breathing down the necks of the Hornets, 7-7, with 5:21 left in the first quarter.

East Central was feeling the pressure, for after receiving a kick into the end zone, they completed one first down and on their own 30, fumbled a quarterback handoff.

The Hawks took possession and their first pass of the night was incomplete.

A small gain came on the next down play, and again, an incompleted pass.

Four plays later, a block by the Hornets prevented the fruition of yet another Davis pass.

Now the Hawks were forced to return the ball to the Hornets with the goal only 27 yards away.

The Hornets began a series of plays which included a retained fumble and ended with a punt return to the Hawks.

The first quarter ended shortly after HHS received the ball, and two plays later moved it to their 25.

The Hawks began a drive towards goal, completing three first downs.

Perched on the Hornet goal, 8:51 into the second quarter, a Hawk handoff appeared destined in motion as suddenly the ball jumped to the ground and over the goal line. Quick thinking Anthony Lee flew into action, and landing on the bouncing ball, claimed another 6 points for the Hawks.

The PAT flew and HHS led 14-7.

East Central's stingers were now in an uproar.

They received an end zone kick and on the third play from the 43, a completed pass to Terris Riley set the runner flying for a Hornet score.

With 5:42 left in the half, the kick was good and again the score was tied, 14-14.

The Hawks received the ball and was held by the East Central defense at Hancock's 23. The Hawks were forced to punt from their 31.

As the Hawks kicked the ball into the air, fleet-footed Lance Wedgeworth took off running and together he and the football met with the Hornet receiver.

East Central began play from their 37, and on the fourth play achieved a first down.

On the next play, the Hornets fumbled and Wedgeworth recovered for the Hawks on their 16.

Three Hawk plays later, the whistle sounded and the first half of play ended.

East Central began second half play by kicking off to Hancock.

They completed two first downs, threw three incomplete passes and were forced to punt.

Suddenly the Hornets were a-buzz, completing five first downs. They were driving home, and as they closed in the Hornet runner fumbled the ball over the goal line and Hornet Gray Cumbest recovered for the second TD on a fumble.

The PAT was good and the Hornets claimed the 21-14 lead with 1:06 remaining in the third quarter.

The Hawks received the ball and as they took it to their 25, the third quarter of play ended.

On the third play attempt a completed pass from the Hawk 25 by Davis to Malley, moved the ball 50 yards for HHS. But a penalty flag dropped, and the Hawks were cited for an illegal man downfield making the advance null and void.

Unable to make a down, the Hawks prepared to punt and fumbled the snap, allowing the Hornets their final score of the evening.

This time the Hornets missed the extra point, leaving East Central 27-14 on top.

With 11:41 left in the game the Hawks received the East Central kick and moved the ball to their own 44.

Hawk kicker sends ball between the goals.

Malley was pushed back on their first play for a loss of three.

Hornet Andy Robinson plucked the ball from the quarterback for an interception. Hawk Anthony "Gator" Lee snapped down on Robinson holding him at the Hornet 33.

Four completed first downs later, the Hornets were held back and forced to punt once more.

The Hawks accepted the end zone kick and the ball began to fly in a frenzy of four incompleted pass attempts with only one first down accomplished.

The clock was ticking out as it showed 1:10 left in the game. East Central received a kick, and on their second first down attempt, from their own 35, the game ended.

HHS Head Coach Irvin Favre stated the Hawks played hard, but just not hard enough.

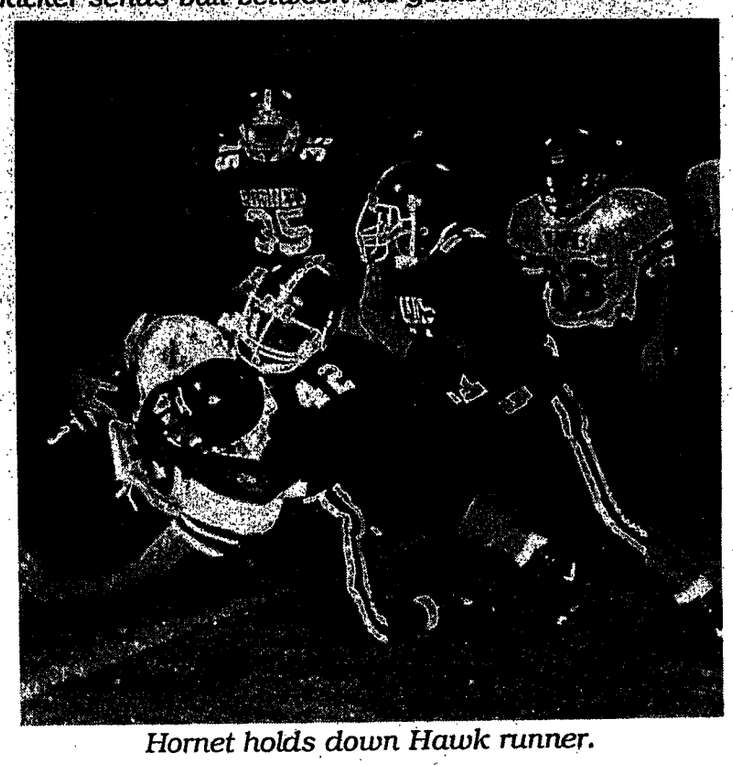

"I really don't know what to say," he commented. "We dropped seven or eight passes that I counted.

"They came back after halftime, and we got behind and just could not get back up.

"What happened tonight with the lack of catching, I don't know. It was wet, which made it more difficult to handle the ball."

Favre said East Central deserves credit for a good game. "They have a good team," he stated. "It may be one of the best teams I've ever seen them have.

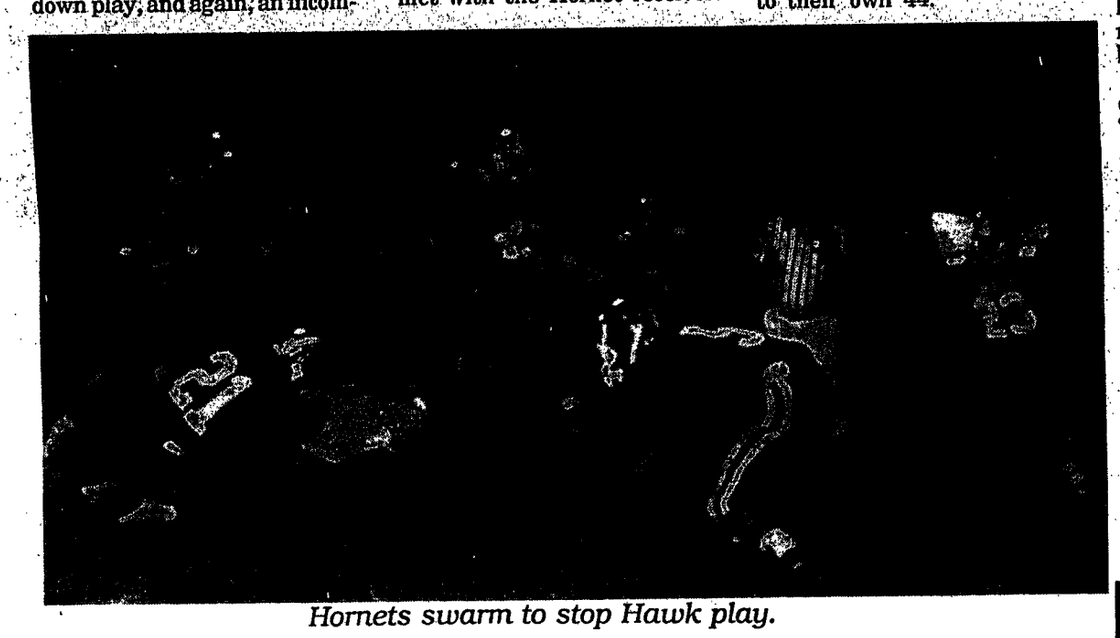

"I just hope we can go on now to our final game against the Rock-A-Chaws and conclude the season with a victory for our outgoing seniors."

Hornets swarm to stop Hawk play.

Rocks fall to Gulf Breeze, Fla.

Special to the Echo

The Gulf Breeze Dolphins (4-3) defeated the St. Stanislaus Rock-A-Chaws Friday 35-6 at Gulf Breeze.

Early in the first quarter, Dolphin quarterback Bobby Clayton hit tight end Shannon Jefferies for a 71-yard scoring strike, and the game was never in doubt from that point.

The Rock-A-Chaws' score came from a 10-yard pass from sophomore Nathan Middleton to Jeff Bishop in the second quarter. Stanley Chapman led the St. Stanislaus ground game with 55 yards.

The Rocks, now 0-9, will wrap up the season next week at home against the Hancock High School Hawks.

HHS 7/8th-grade team goes on to Mullet Bowl

Hancock assistant coach Andy Perniciaro reported the 7/8th-grade football team will be competing in this year's Mullet Bowl against Bay High for conference championship.

The junior squad defeated Poplarville 28-6 Thursday, making them 7-1 overall for the season.

During Thursday's game TD's were achieved by Mike Fountain, 58-yard run; Chad Peterson, 22-yard run; Josh Davis, 30-yard run; and Brett Cuevas, 1-yard run.

Extra points were made by Eugene Garcia and Davis.

HHS's 9th-grade team defeated East Central Thursday 20-0, moving them 5-4 overall.

Ken Malley accomplished an 85-yard kick offensive return for a touchdown and Kelly Seale recoved a blocked punt by James Berry for a 10-yard run touchdown.

Both junior teams will play St. Stanislaus Thursday at Hawk Stadium, beginning at 5 p.m.

The Mullet Bowl will be played November 12 at Joe D. McCullouch Stadium.

Ninth grade champs vie in Mullet Bowl

Bay High Athletic Club will be sponsoring this year's Mullet Bowl, Thursday, Nov. 12 at Bay High Stadium.

The first matchup will be at 5:30 p.m. with the seventh and eighths grade team from Hancock, against a team not yet selected.

Bay High's ninth graders will be kicking off at 7 p.m. against E. Central. This should be an exciting game, since Bay High won their conference.

Tickets will be $2 for both adults and students. Since this is a post-season game, club members cannot use their passes for admission.

The Athletic Club is also sponsoring a turkey shoot and fish fry Sunday, Nov. 15 from 11 a.m. to 5 p.m. at Commergere Park.

Tigers make playoffs

BY RANDY PONDER

Marcel Whavers thrilled the hometown fans with two spectacular touchdown catches, propelling the Bay High Tigers into the state playoffs with an exciting 14-7 victory over the Poplarville Hornets Friday night in Joe D. McCullouch Stadium.

A fumble recovery midway through the first period by Brenan Compretta led to the Tiger's first big strike.

With the football at their own 45, a Tiger run was defended for no gain before quarterback Sam Sheppard connected with Whavers on a 55-yard TD pass. Whavers, running at full speed, several steps ahead of the defensive back, never broke stride as Sheppard's pass was perfectly thrown.

Shawn Keener split the uprights with the extra point, giving the Tigers the early lead, 7-0.

The hungry Tigers struck again just before halftime to take some of the sting out of the Hornets.

Starting at their 44 after a clipping penalty wiped out a fine punt return by Xavier Lewis, Bay High took to the air.

A long, across-the-field pass was broken up by a Poplarville defender, causing several yellow flags to be thrown. The Hornets were guilty of pass interference, giving the Tigers a first down at the Poplarville 41.

Bay High took a time out with 1:19 left in the opening half. On the next play, Whavers made one of the greatest, most unbelievable circus catches of all time.

Sheppard fired the ball towards the right hand corner of the end zone. A defensive back was between Whavers and the ball and appeared to be in great position to make an interception, or at least knock the ball down.

As the ball arrived, Whavers leaped up over the top of the defender, reaching out for the ball which popped loose as they collided. But as the two fell to the ground, Whavers managed to grab the ball and pull it in for the score.

The Tiger side of the field went wild with approval while the visitors sat in stunned silence. Keener added the extra point for a 14-0 Bay High halftime advantage.

Poplarville surprised the Tigers with an onsides kick, which they covered on the Bay High 49, to start the second half. A fired-up defense denied the Hornets a first down and forced a punt three plays later.

Starting at their 25 after the kick, Bay High mounted an eight-play drive to the Poplarville 17 before turning the ball over on a fumble following a pass completion.

Leroy Hawkins ran the ball six times for 39 yards in that drive while Larrone Lewis picked up 17 yards on the two carries as the Tigers kept the ball on the ground.

Poplarville made the game uncomfortably close with a long touchdown pass of their own early in the final frame. Quincy McGinty tossed the ball to a wide open Alvin Pittman for a 38-yard TD bomb to cap an 82-yard, 14-play drive. Jacob Magee's extra point cut the Tiger's lead to 14-7 with 9:09 remaining in the contest.

The ever present Whavers ended the Hornets' last chance possession with a big pass interception to preserve the Tiger victory.

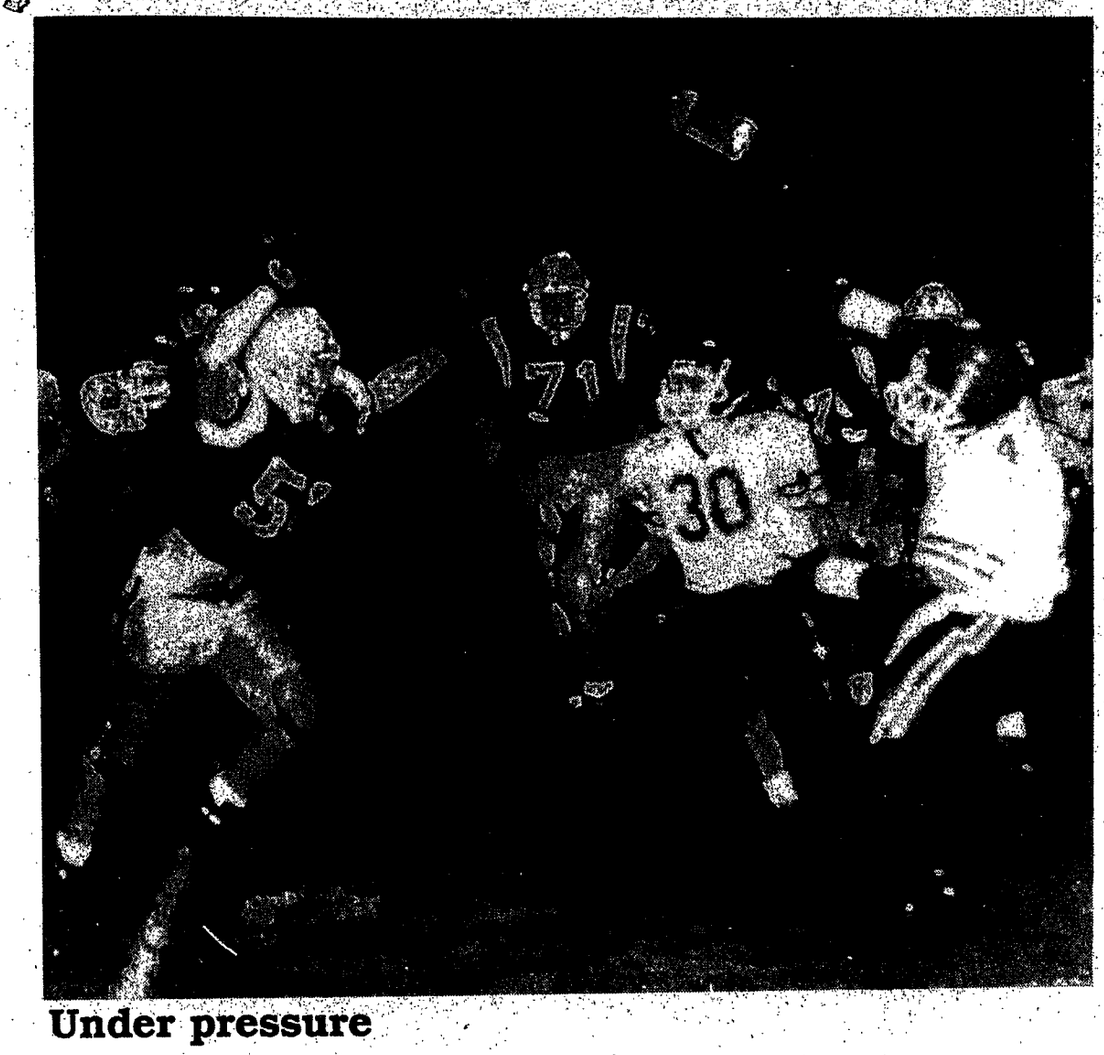

"This was the most satisfying moment of my coaching career," an elated Rocky Gaudin said after the game. "We've waited a long time for this opportunity. I've enjoyed watching these kids develop; they have worked hard to get to where they are."

The win improves Bay High's record to 8-1 overall and 5-1 in District 8, Class 3A play. More importantly it puts them into the state playoffs. The first round will be played in Rollins.

Bay High School principal Roger James said a bus or buses will be available to transport students to that contest. A parent must sign a permission slip and pay $12 for each student to ride. For more information, contact the high school office.

Gaudin said this was a win for the program, not just for the coaches and the players. "Our team has some talent, but winning is the result of hard work and determination," the Tiger coach added. "The excitement tonight was getting to the playoffs. Our goal is to win the state championship."

Before they begin those playoffs, the Tigers still have some unfinished business to take care of, the final regular season game of the year. Bay High will travel to Long Beach Friday night to face the Bearcats in a non conference contest. Kick-off is slated for 7:30 p.m.

Under pressure

An aggressive Tiger pass rush led by Jimmy Strong and Yancey Mayfield forces Poplarville quarterback Quincy McGinty into a hurried throw to avoid being sacked. Bay High clinched a berth in the state playoffs with a 14-7 victory over the Hornets Friday night in Joe D. McCullouch Stadium. (Echo photo by Randy Ponder)

Ladner inducted into PRC Hall of Fame

Roland Ladner, Mississippi's all-time most winning boys basketball coach, will be inducted into the Pearl River Community College Sports Hall of Fame during 1992 Homecoming festivities Saturday, Oct. 17.

A 1950 graduate of Pearl River College, Ladner is now retired and lives in Hancock County.

He set the record as the state's most winningest coach this year on Tuesday, Feb. 4, 1992, when his Pearl River Central Blue Devils defeated St. Stanislaus 68-57. That victory gave Ladner 867 wins which surpassed Bert Jenkins of Gulfport.

Ladner, 63, played basketball at Pearl River College during the 1948-49 season under coach Woodroe Daily. He have up his sophomore season in order to double up academically.

The state's premier boys coach started his career at age 20 at Sellers High School in north Hancock County in 1950. In his first year, his team won 32 and lost 12. The next year his unit won 42 of 45 games.

Ladner joined the U.S. Army and spent two years in the infantry, however, his duty was to be in charge of the gym in Yokohoma, Japan and to serve as a coach/player for the U.S. basketball team.

After service he returned to Sellers to coach in the fall of 1954. He remained at Sellers, winning 112 games and losing only 20, until taking over at Harrison Central in 1958. He posted six straight 30-plus winning seasons for 1983 victories and only 49 losses.

In 1964, he began coaching at Hancock North Central where he served his longest tenure at the same school. His Hancock record was 481 victories and 141 losses. He left Hancock in 1981 and accepted a position at Phillips Junior College from 1981 to 1985.

Ladner, who coached girls basketball teams in 1950-51 and in 1954-59, returned to coaching girls in 1985-86 at Pearl River Central. He became coach of the boys Blue Devils in 1988 and retired in 1992.

His combination career totals, which includes college, girls and boys teams, stands at 1,122 wins, 534 losses.

Ladner won his first South State title in 1957 while at Sellers High School. He led the Hancock North Central Hawks to claim South State titles in 1965, '66, '69, and '72.

Some individuals who played under Ladner's reign included Eddie Ladner, former head coach of the Harrison Central Red Rebels, Picayune Maroon Tide head coach Dean Shaw, and Alan Dedeaux, coach of the Hancock Lady Hawks.

The most notable was Wendell Ladner, a high school All-American who received over 100 college offers. Wendell went on to play professionally in the ABA in New York before a plane crash claimed his life at age 26.

Among his many honors, Roland Ladner was inducted into the Mississippi Association of Coaches Hall of Fame in 1984, and was one of eight nominees for National Coach of the Year in 1981.

He was named Coach of the Year in men's basketball for the southern United States in 1981, and was Coach of the Year in Mississippi in 1981 and in 1973.

His teams have won 70 invitational tournaments, 17 district tournaments, six South State crowns, and one overall state championship. He finished runner-up in 19 tournaments.

In 1983 his team finished third in the National Little College Athletic Association and fifth place in 1984.

Ladner and his wife have three children. He served as a parish council member for 10 consecutive years in Annunciation Parish and Infant of Prague Catholic Church of Kiln and Necaise Crossing. He served as chair for the council for several years.

Ladner was the initiator of the Mississippi Jaycee Holiday Basketball Classic in 1981 and he served as election commissioner for Beat 3 of Hancock County for 12 years. He helped organize a community center in north Hancock County in 1960.

"I sincerely believe coaching is a calling as is the ministry," said Ladner. "I believe there are and should be great carry-over values in life's journey for young athletes. I use the game of basketball in comparison to the game of life."

Ladner said coaches should be coach, teacher, father, mother and brother to their players, "We must assume whatever role necessary to help our players grow as human beings and mature to be assets to themselves, their families and their community," he said.

Mental Health Assoc. needs donations for Christmas gifts

For most, Christmas is a time of family and good friends meeting again. But to many of the patients in the state's mental institutions it is a particularly desolate time.

That is why every year the Mental Health Association in Harrison County sponsors Operation Santa Claus.

Gifts may be purchased from the list below, or donations of money can be given (checks or money orders). Checks are payable to the Mental Health Association in Harrison County and should be mailed to P.O. Box 7329, Gulfport, MS 39506. The Mental Health Association will forward a check to Mississippi State Hospital.

Needed items are scarves, gloves, caps, pajamas, bathrobes, gowns, sweaters;

Candy, gum, fruit, cookies, small portable radios, pocket video games, batteries;

Stuffed toys, jewelry, arts and crafts supplies, belts, suspenders, socks (men and women), rainwear;

Personal hygiene items, plastic containers, books, comic books, games, playing cards, purses, wallets, stationery, pens and pencils.

Do not wrap gifts (so the staff can determine male or female). Only new gifts and no glass items.

Please drop off gifts or money donations at the Opal Smith Fellowship Center, 4803 Harrison Circle, Bayou View, Gulfport, MS Monday through Friday, 9 a.m. to 2 p.m. Deadline is Dec. 11.

Domino's earns safety award

RPM Pizza, Inc. (Domino's Pizza) has won a place on the U.S. Department of Transportation's "70% PLUS Honor Roll" in recognition of a safety belt use rate of 91.5% in the Morgan Region/Mississippi 'Stores and has received a plaque at RPM's Southern Regional Managers Meeting on Sept. 15 at the Royal d'Iberville Hotel in Biloxi.

RPM Pizza, Inc./Morgan Region will be inscribed on the 70% PLUS Master Honor Roll in the office of the Administrator of the National Highway Traffic Safety Administration in Washington, D.C.

The award is given to any state, county, city or town that has reached and sustained 70% or higher safety belt use among its population. Companies, organizations, schools and military bases numbering 100 or more persons are also eligible. Applicants must submit the results of two observational surveys conducted at least 30 days apart, verifying the level of safety belt use.

NHTSA started this honor roll in support of President Bush's goal of achieving a national average of 70% safety belt use by the year 1992. A high level of safety belt use means fewer fatalities and less severe injuries. One of RPM Pizza, Inc.'s company policies is that it is mandatory for all team members to wear a seatbelt while working for Domino's Pizza.

IF YOU LOVE THIS GREAT COUNTRY, ITS FREEDOM, ITS VETERANS AND IF YOU CARE ... TAKE 3 MINUTES TO READ THIS:

Some time ago, I wrote an article concerning my thoughts on my visit to the "Moving Wall", the half-sized replica of the national Vietnam memorial. I wrote of a "collision with my past", of how the impact of seeing and touching the names of those that I was with when they died caused me to remember how it was when they died, how I felt at their loss, how their families would feel receiving a coffin and American flag in lieu of their son or husband. This "collision" also caused me to remember my own service, the best time of my life. A time when I had the privilege of serving with men who not only knew the meaning of the word commitment, but who lived it. Men who also knew and lived the words; Duty, Honor and Country.

Once again, I find myself facing a "collision with my past" but this one is not brought about by anything approaching the nobility of the Vietnam Memorial. It is my upcoming appointment with a voting booth. A time for me to vote for who I prefer as the next president of the United States of America. I cannot think of the upcoming election without thinking of those with whom I served, those who died, those who lost limbs, and those like me who were lucky enough to return intact.

In remembering my comrades in arms, I remember our commitment. To Duty, Honor, Country and to each other. I remember how we looked in uniform, proud of our accessories as some might call them. A set of sergeant chevrons here, a silver or gold bar there, the twin bars of silver of a captain, the gold or silver maple leaf, the silver eagle, our decorations showing the depth and breadth of our service. Probably looked upon as a great deal of silliness by the corporate and civilian professional world, but to us it was more than a uniform, it represented a creed. A creed and a commitment worth dying for, it is what we believed in and it is what we did.

On the other hand, I remember those who opposed the war and their commitment to their cause. I did not like the hippies, the peaceniks, and other demonstrators who burned my country's flag and who scorned those of us who served in uniform. But my quarrel is not with them today - they, too, were committed to a creed and that I can respect. They had the courage of their convictions and they took up the challenge of the government by standing in the front ranks of resistance.

I also remember that the country was severely and distinctly divided by the Vietnam war and our sally into what was then Cambodia. It was a low point in our history, a time in which you had to be on one side or the other. There did not seem, nor should there have been, a middle ground.

However, there was a third group that I remember, they were simply, the draft dodgers. They had no creed or conviction other than staying out of the war. Their only argument, borrowed from the resisters who had the courage to say what they were, was that it was not a legal or morally correct war. Tell that to the 58,175 mothers who sent a child to war and received a flag from a grateful nation in exchange for that child's life. Draft dodgers were sometimes part of the resist the war movement and sometimes not. They could be found anywhere, Rhodes Scholars, in the National Guard, in government jobs, hiding under college deferments, hardship deferments, dodging in or out of the R.O.T.C., seeking delays from their local draft board or simply having themselves classified "4F" by their local draft board.

Their biggest sin was that someone had to take their place, simply because they did not have the commitment to serve with their fellow Americans. No commitment to serve with those brave Americans who were fighting for their country and no commitment to stand fast with the resisters. But sometimes a commitment to preserve their "political viability" with no concern for who may have had to go and perhaps die in their stead.

As election day approaches, I think of Bill Clinton and his desire to now serve his country, as President and Commander in Chief, no less! This candidate for that office, who would not serve his country on its terms, is now telling us he is ready to serve on his terms - as President.

Yes, when I get ready to cast my ballot, I will set aside the voices that have been echoed in the media saying, "issues, vote the issues, pay no attention to character", and I will remember.

I will remember those who died in the paddy fields and jungles of Vietnam for their belief in commitment and I will remember the commitment of those who served there. I will remember those who manned the barricades at home in protest of the war and that they, too, were committed, misdirected, but committed. I will think of where Billl Clinton (that "young boy of 23") was and where his actions of the 60s place him. His commitment was to neither side, both sides had risks to a future in politics. He had no commitment. He made no commitment if there was a risk. He did not want to die in Vietnam. Who did? He did not commit himself to the resistance movement in a manner that would cause him to lose some of his future political viability. He dabbled in it somewhat while abroad and helped to organize some of the resistance agenda, but made sure that he kept himself out of the line of fire faced by those manning the barricades. He dodged in and out of the resistance movement as he did in the R.O.T.C., all the while showing a strong lack of commitment to both.

I know Governor Clinton wants my vote and yours and I would tell you that it does not matter that he did not serve in the military. Military service is not a prerequisite of serving in politics at any level. But it does matter that he was a draft dodger. That he would not say "Yes", that he would not say "No" to his country when it needed him, that he employed every deceit, tactic, and subterfuge to avoid service, damn well matters to me and it should to you, if you are a voter.

After I cast my vote, I will leave the booth with my memories but I will carry out of that booth a fear that should the "young boy of 23" be elected that it will validate his status of draft dodger and that he will be able to have a last Machiavellian laugh on those who served in his stead and on those 58,175 silent heroes, those committed young men, many of whom did not get the opportunity to become a "young boy of 23".

AARP and MRTA hold annual state conference

The Mississippi American Association of Retired Persons (AARP) and the Mississippi Retired Teachers Association (MRTA) held their second annual state conference in Jackson October 6 and 7 at the Ramada Inn.

Hancock Chapter #1114 was awarded a certificate of excellence for completing more than 90 percent of the projects outlined in the National Plans of Work. President Robert Crais accepted the award from Mary Dillard, Area 4 state director.

Also attending the meetings were Isabel Crais, Edgar Sauls and Lee Sauls, state media specialist. Topics of interest to the elderly were discussed, with speakers from state and local offices taking part.

Some of the topics discussed were long-term health care, retirement, insurance (Medicare and Medicaid), fraud and forgery, Social Security, tax help, widowed persons' service and work force programs. The proposed Health Care America plan was discussed as well.

Robert Crais completes his second year as local chapter president in December. Conrad Mauffray will succeed him.

AARP is a non-profit, nonpartisan organization dedicated to helping older Americans achieve lives of independence, dignity and purpose. Local AARP meetings are held the third Monday of the month in the American Legion Hall on Coleman Avenue in Waveland. All persons 50 and over are welcome to become members.

For more information on joining or having an AARP speaker talk with your group, call Lee at 467-7656 or Mary Dillard at 649-0551.

Helen Underwood presents award of excellence to AARP Chapter 1114 president Robert Crais.

WEDDINGS, ENGAGEMENTS

Demboski-Kidd

St. Clare Catholic Church in Waveland was the setting for the October 3 wedding of Kristy Lee Kidd, daughter of Mr. and Mrs. Raymond Earl Kidd Jr. of Waveland, and Scott Robert Demboski, son of Mr. and Mrs. Thomas J. Demboski Sr. of Bay St. Louis.

Nuptial music was provided by soloists John Mason and Emily D'Antoni, and organist Ollie McKenna.

Given in marriage by her father, the bride wore a gown of silk shantung with fitted bodice and drop waist. The bodice of Alencon lace was heavily beaded with pearls, and the long fitted sleeves were accented with a triple bow at the shoulder. A sheath skirt, with a border of lace which rose in the front, was beaded to match the bodice. The full overskirt cascaded to a court train with a deep border of matching beaded lace.

She wore a veil of silk illusion that fell from a headpiece of white silk flowers and beaded lace.

Kerri Kingston was honor attendant. Bridesmaids were Destin Black, Jan Frommeyer, Dina Hitt, Lori Quinn and April Thomas.

The attendants wore ruby suits of silk shantung.

Sarah Kelly was junior bridesmaid and Kyle Kidd was junior groomsman.

Rob Compretta was best man. Groomsmen were Drew Demboski, Tom Demboski Jr., Trey Kidd, Kevin Ladner and Mark Necaise. Ushers were Geja Carter, Chad Favre, Timothy Kingston and Louis Sportorno.

Following the ceremony, a reception was held at Diamondhead Country Club. The rehearsal dinner was at The Galley Restaurant.

The couple is making their residence in Bay St. Louis.

PRE-NUPTIAL PARTIES

An engagement party was given by Dr. and Mrs. Alfred Butterworth, Mr. and Mrs. Kenneth Henry, and Mr. and Mrs. George Frilot III.

A "honey-do" party/shower was given by Mr. and Mrs. Ronald Artigues, Mr. and Mrs. Herbert Dubuisson, Mr. and Mrs. Robert Esher, Mr. and Mrs. Pete Gaudin, Mr. and Mrs. John Hansell, Mr. and Mrs. Harold Hitt, Mr. and Mrs. Davy Jo Kidd, Mr. and Mrs. Thomas Kidd Sr., Mr. and Mrs. Gerald Rigby Sr., Teddy Schmidt and Judy Coon.

A lingerie shower was given by Destin Black, Jan Frommeyer, Dina Hitt, Kerri Kingston, Lori Quinn and April Thomas.

A miscellaneous bridal shower was given by Bobbye Maggio and Margie Morken.

A bridesmaids' luncheon was given by Kathy Esher, Irma Lee Martin and Carol O'Brien.

Charles Reynolds and Valarie Reed

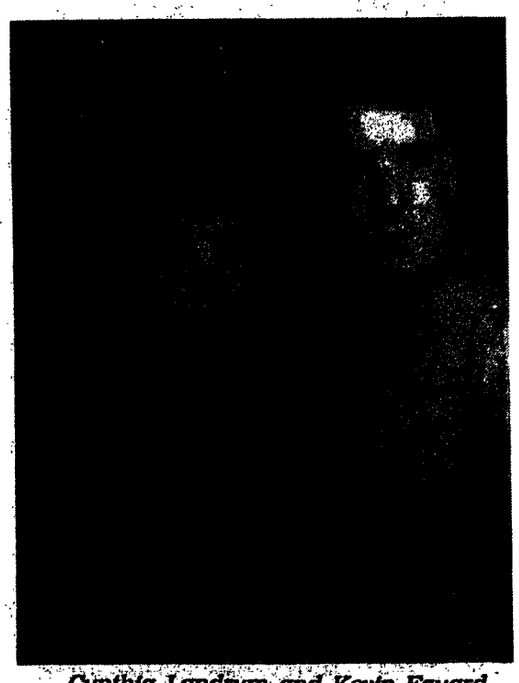

Reynolds-Reed

Mr. and Mrs. Roy C. Reed Sr. of Bay St. Louis announce the engagement and forthcoming marriage of their daughter, Valarie Lynn Reed, to Charles Edward Reynolds, the son of Mr. and Mrs. Howard Dale Woods of Waveland.

The bride-elect is a 1991 graduate of Bay High School. During her senior year, she served on the Search Team for the Diocese of Biloxi representing Our Lady of the Gulf Catholic Church. She is emplyed at Layne's Krispy Fried Chicken.

The prospective groom is a graduate of Wahala High School, Wahala, S.C., where he was a defense, corner back and strong safety on the school football team. He also is employed with Layne's.

Vows will be exchanged December 19, 2 p.m., at Our Lady of the Gulf Church. A reception will follow at the Knights of Columbus Hall on Main Street in Bay St. Louis.

Cynthia Landrum and Kevin Fayard

Fayard-Landrum

Reverend and Mrs. John Landrum of Gulfport announce the engagement and forthcoming marriage of their daughter, Cynthia Ann Landrum, to Keith Mark Fayard, the son of Mr. and Mrs. Richard J. Fayard Sr. of Bay St. Louis.

The bride-elect is a 1989 graduate of Harrison Central High School and is a sophomore at Mississippi Gulf Coast Community College, Jefferson Davis campus.

She is the granddaughter of Rev. and Mrs. John W. Landrum Sr. of Clinton and Jeannette Johnson of New Orleans.

The prospective groom is a 1986 graduate of Bay High School. He is an officer with the Bay St. Louis Police Department.

He is the grandson of the late Mr. and Mrs. Edward G. Fayard Sr. and the late Mr. and Mrs. Teddy Morel Sr.

Vows will be exchanged November 14 at Pass Road Baptist Church in Gulfport.

Altrusa sets rummage sale

The Bay-Waveland Altrusa Club's annual white elephant sale fund-raiser to benefit the Gulf Coast Women's Center and other worthy charities is Saturday, Nov. 7, 8 a.m. to 1 p.m. at Colonial Plaza in front of the Hancock County Chamber of Commerce.

New seed varieties offered for '93

By Dr. Milo Burnham
Horticulturist
Mississippi Cooperative Extension Service

Seed companies have already begun to announce new varieties for 1993. We've barely finished this year's gardening season, and it's time to begin thinking about next year.

Two vegetables have been announced in the All America Selections for 1993: Husky Told tomato and Baby Bear Pumpkin. Baby Bear was developed by Johnny's Selected Seeds of Albion, Maine, while Husky Gold is the product of plant breeding efforts of Petoseed, Saticoy, Calif.

Petoseed has introduced a number of new vegetable varieties that should be of interest to Mississippi gardeners. In addition to Husky Gold, Petoseed will offer Husky Cherry Red and Husky Red hybrid tomatoes.

Like Husky Gold, Husky Cherry Red has a dwarf indeterminate plant. This means that while the plant never gets large, it continues to grow, flower and produce fruit.

Husky Cherry Red is described as setting oodles of fruits in large hands. The plant can be staked or caged. The fruit are round, about 1 inch in diameter, and are said to be the world's best flavored cherry tomatoes.

Husky Red is a tomato for growing in a container. The plant is dwarf indeterminate, resistant to Fusarium and Verticillium wilts and eventually will get about 4 feet tall. The red fruit weigh 5 to 7 ounces and ripen about 67 days after transplanting.

Other tomato varieties that Petoseed developed include Celebrity, Better Boy, Pink Girl and Lemon Boy.

Bubbles is Petoseed's new brussels sprout for gardeners, and Peto claims it to be nearly "idiot proof." The sprouts are dark green, nicely rounded, flavorful and mature in about 82 days from transplanting. Bubbles is described as showing tolerance to warm weather, drought, powdery mildew and other disorders that affect brussels sprouts. Bubbles can be grown in spring and fall, but fall is the preferred time.

If you like zucchini squash, Peto has a new one called Embassy. This hybrid differs from other zucchini because the plant is almost spineless which means that the itch of harvesting zucchini is gone.

Big Bertha, Bell Boy, Super Chili and Gypsy are pepper varieties developed by Peto, and for 1993 they are offering Jingle Bells, Peto Wonder and Papri Mild II. Jingle Bells can be harvested 60 days after transplanting. The individual fruit are about 1 1/2 inch by 1 1/2 inch and ripen to a bright red color. The plants are described as really loading up with fruit and because the plants are small they are adapted to container gardening.

Peto Wonder, when compared to Jingle Bells, is an extra large pepper. Individual fruits may be 6 1/2 inches long and 4 1/2 inches wide at the shoulder. These large peppers are produced on plants that may get 30 inches tall and show resistance to tobacco mosaic virus. This is a "braggin" size pepper that is ready to harvest in about 73 days after transplanting. When left on the plants for additional time, the peppers turn bright red.

Papri Mild II is a non-pungent pepper (it looks hot) with a dark red color and is developed especially for paprika. The plants get about 30 inches tall and produce peppers about 5 to 7 inches long and 1 1/2 inches wide at the shoulder. You don't have to be in the paprika business to grow this pepper.

Some of the other new varieties that Peto is introducing for 1993 are Annie Oakley II hybrid okra, Early Crenshaw melon, Bambino baby eggplant, Pasta hybrid spaghetti squash, Super Dome broccoli and Vittoria hybrid Italian eggplant.

Petoseed doesn't have a retail mail order seed business, but seeds of their new varieties should appear in catalogs from other companies, and plants should be available from local nurseries and garden centers in the spring of 1993. Keep some of these new varieties in mind to plant on a trial basis in your vegetable garden next year.

COMMUNITY SERVICES

Adult Literacy Education

Tutoring sessions for adults who want to learn to read and write are available through the Hancock County Library System. The program is open free of charge to any adult aged 16 and above who wants to improve reading skills to a grade five level.

Each student meets one-on-one with a certified tutor trained in the use of the Laubach Adult Literacy method. Student/tutor units meet at a time and learning center convenient to both. Learning centers for literacy are currently located in Bay St. Louis, Kiln, Waveland, Diamondhead and Pearlington.

Call June Piley, Hancock County literacy coordinator, at the Bay St. Louis Library, 467-5282, for information. Persons who wish to teach adults to read as volunteer literacy tutors are also encouraged to call.

American Cancer Society

Assistance to victims of cancer is available through Hancock and Harrison county chapters of the American Cancer Society.

Necessary items for patients, such as dressings, ostomy and sickroom supplies are available to those in need. Equipment which may be loaned to patients includes wheelchairs and hospital beds.

Assistance is available for transportation to qualifying hospitals.

Several rehabilitation programs are offered, including "Reach To Recovery", in which volunteers who have had mastectomies visit new breast cancer patients (with approval of physician) to assist in emotional, physical and psychological rehabilitation.

Support programs are also available to ostomy and laryngetomy patients.

American Cancer Society service request forms are available by contacting the Gulfport office at 896-7024.

Battered Women

Free counseling is offered for Hancock County women suffering from emotional or physical abuse. Connie Avera, outreach coordinator with Gulf Coast Women's Center, is available each Thursday from 1 until 5 p.m. at the Hancock County Youth Court building on Court Street.

All cases are confidential. Call 435-1968 collect for appointment.

The Gulf Coast Women's Center, a United Way agency, also offers an advocacy program for victims of sexual assault and domestic violence. A 24-hour crisis line is available by calling 435-1968.

Bay-Waveland Crisis Pregnancy Center

The Bay-Waveland Crisis Pregnancy Center offers free counseling, pregnancy tests, maternity and baby clothes.

Located on Highway 90, next to the Unique Shoppe in Waveland, the center offers a 24-hour hotline, 467-3444.

Blood Pressure

Retired Senior Volunteer Program sponsors free blood pressure testing Tuesdays, 9:30-11:30 a.m., American Legion Post No. 77, Waveland; Wednesdays, 10:30-11:30 a.m., RSVP office, Senior Citizens Center, Old Spanish Trail, Bay St. Louis.

Hancock Medical Center Women's Auxiliary (Pink Ladies) conducts free blood pressure testing at the hospital, 10-11:30 a.m. Tuesdays.

GED Classes

Hancock High School offers a special GED program for students who wish to brush up on skills preparatory to a college degree. Each student can find his weaknesses and strengths by taking a trial GED test and concentrate on his needs with a planned individual curriculum.

Classes at HHS are Monday and Tuesday from 9 a.m. until noon with Mrs. Lois Abrams teaching in Conference Room B of the administration bldg. Night classes are Monday and Wednesday, 6-9 p.m. with Mrs. Vicky Compston and Charles Rolison teaching in the junior high building.

Students may register at a class meeting, then study toward their own goals. Call Mrs. White at 467-2251 for more information.

SHOPPING UP A STORM

By Katy McGuire Caire

With the new crop of Florida oranges, first of the season, pouring into the produce bins, along with grapefruit and lemons, citrus fruits are of great interest in our supermarkets and farmers' markets as we move into November.

The prices are as good for your food budget as the vitamin-rich fruit is for your health. Grapes, too, are in good supply, along with the tasty apples of the fall season. So, work them into your menus, and use them, not only in desserts and salads, but as ingredients in main dishes and such.

Cut up chickens are a good buy this week, along with chicken leg quarters. In the meat department, boneless beef chuck and pork quarter loins (cut into chops) are standout values, as is lean ground chuck, also boneless chuck steak. Smoked picnics are another good buy. Whole untrimmed beef briskets are an excellent buy.

The harvest vegetables call attention as well; and there are good buys in canned and frozen vegetables also. I'm especially glad that fresh lemons are such a good buy this week, for I use them to a great degree in cooking, giving flavor while reducing salt in many dishes.

For an extra tang to fresh spinach salad, adding orange and grapefruit sections, along with the sliced onion rings and/or fresh mushrooms. Or, if you'd prefer, skip the spinach and use lettuce in its place.

As for the apples, you might want to try:

SWISS APPLE SALAD

The nutty flavor of Swiss cheese complements the apples in this recipe from the Swiss Cheese Festival in Middlefield, Ohio:

3 medium red eating apples
2 to 3 Tblsp. fresh lemon juice
1 cup (4 oz.) diced Swiss cheese
1 cup celery, diced
Dash of salt (optional)
1 cup sour cream
4 to 6 lettuce cups

Dice the apples and sprinkle with lemon juice. Add the cheese, celery, salt and sour cream, blending well. Serve in lettuce cups. (4 to 6 servings)

* * *

Canned tuna is a good buy these days. I'm quite fond of tuna salad, although I must make sure that Peanuts-the-Fat-Cat is not in the kitchen when I open a can of tuna. Otherwise, I end up with egg salad and a whiff of tuna! I always squeeze a little fresh lemon juice over the tuna before mixing it. And, I enjoy:

TUNA ST. JACQUES

(This dish, of course, is traditionally made with scallops, but this is a budget substitute and quite tasty.)

3 green onions, chopped fine (greens, too)
4 Tblsp. margarine (divided)
4 oz. fresh mushrooms, chopped
1 can (10½ oz.) cream of chicken soup
1/2 cup lemon juice
1 Tblsp. parsley, chopped fine
2 cans tuna, drained
2 Tblsp. grated Parmesan cheese
1 slice bread, crusts removed
6 shells or ramekins, rubbed with margarine
White pepper to taste

Cook onions in 2 tablespoons of margarine until tender, and remove from heat. Brown mushrooms quickly in 1 tablespoon or margarine. Combine soup and lemon juice and heat to boiling, seasoning to your taste. Mix half of the sauce with the onions and mushrooms, and spoon equally into shells or ramekins. Add parsley and tuna.

Top with remainder of sauce. Combine bread and cheese in blender or use bread crumbs. Sprinkle over sauce, and drizzle 1 tablespoon of melted margarine over crumbs. Heat in 350-degree oven for 10 minutes or until browned. Serve hot with lemon wedges dipped in paprika. (6 servings)—from "Lemon Twist (No salt added) Cookbook."

'Pick 5' claims two winners

From left, Ruby Gates receives a check for $2,500 from National Grocery Store Manager Dick Welch, and Rita Schwall receives a check for $1,250. Both women are residents of Bay St. Louis. Gates' winning numbers were from the week of October 5, while Schwall hit her numbers the week of October 12. (Echo staff photo by Jacqui Cochran)

Hancock County Humane Society

The Hancock County Humane Society operates a flea market in Bay St. Louis on Highway 90 and Drinkwater. Proceeds help needy animal owners with spay-neuter assistance, emergency pet food and and emergency medical help.

The society is in constant need of good, but unwanted, articles of every description to sell in the thrift store. Gifts are tax-deductible.

Hours are 9 a.m.-1 p.m. Monday; 10 a.m.-3 p.m. Tuesday-Saturday.

Humane Society meetings are held at 7:15 p.m. on the third Monday of each month at the Waveland Library on Coleman Avenue.

Lift up a people from the dust, Trump of their rescue, sound!

— *Ralph Waldo Emerson*

"God sent me before you...to save your lives by a great deliverance."

— *Genesis 45:7*

OUR VETERANS HAVE OFTEN SAVED THE LIVES OF OTHERS

The men of our services do so much more
Than just fighting for us in some faraway war.
Now a perfect example of this is the case
Of the personnel stranded at
Clark Air Force Base.
In the Philippine Islands, where they were employed,
The volcano erupted and all was destroyed.
They were rescued in time from those horrible scenes
By the men of our Navy, and also Marines.
So thank God for our veterans, for we have learned
Of the deeds they accomplished before they returned,
And let's honor those men for the dangers they braved;
They were risking their lives so that others were saved.

— Gloria Nowak

OLA junior high student council begins

Artigues, Nguyen, Castanedo, Taylor, Haas

With the arrival of the new seventh grade, Our Lady Academy's Junior High Student Council began functioning as a new organization.

The student council was separated into two groups last spring in order to give the junior high students "a larger voice in the school, to provide more activities geared toward their age group, and to help the seventh grade adjust more easily to their new school environment," said Lisa Haas, co-moderator of the new group. Madeleine Breeden shares the responsibility of both student council groups with Haas.

Eighth grade officers are Sarah Taylor, president, and Dayna Castanedo, secretary; seventh grade, vice-president, Ashley Artigues; and treasurer, Kieu Nguyen.

Two representatives were elected from both the seventh and eighth grades. The eighth grade representatives are Tiffany Coulter and Jenny Warnke. The seventh grade representatives are Meredith Quinlan and Melissa Matherne.

The junior high student council designed and sold OLA bookcovers at registration and will continue to sell school supplies at the campus store. They held a used uniform sale and took orders for the OLA sweatshirt. They provided a cook-out for the junior high at the beginning of school. A sweetheart dance is planned for February.
